

6' x 8' x 7' Nordic Storage Shed

Lawn tools, garden supplies, folding lawn chairs - with 34 square feet of internal floor space, you can store and protect it all in the Nordic storage shed by Hanover. Strong and durable, this compact shed is constructed with powder-coated, galvanized steel which is resistant to rust, corrosion, and UV rays.

The reverse apex roof design allows efficient water and snow runoff to keep everything nice and dry all year long. Front double-doors open fully to allow easy access and are secured with a sliding bolt lock that is padlock compatible (padlock NOT included). Plus, the charming 4-pane window adds natural lighting to help you find everything.

Features

- Patio storage shed features one 4-pane plastic window (window does NOT open)
