## CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at [pld.iapmo.org](http://pld.iapmo.org)

Effective Date: February 2019

Void After: February 2024

Product: Shower and Tub/Shower Enclosures, Bathtubs with Glass Pressure-Sealed Doors, and Shower Panels

File No. K-12174

Issued To: Dax International Brokers Inc.  
8600 Nw South River Drive  
Miami, FL 33166

Identification: Each tub/shower enclosure, shower panel and factory-plumbed shower door shall be permanently and legibly marked with the manufacturer's name or trademark. If any individual component of the shower panel, such as shut-off valve, diverter valve, temperature or pressure balancing valve, supply connectors, or shower heads are produced by another manufacturer, then that manufacturer's name or trademark shall be on the component supplied. Single-handle and single control bath and shower mixing valves shall have their temperature control settings identified alphabetically, numerically or graphically. Products shall also bear the cUPC® certification mark. Markings shall be applied so as to be visible after installation.

Characteristics: Shower panel assemblies for new or retrofit installations, to be installed in accordance with the manufacturer's instructions and the requirements of the latest edition of the Uniform Plumbing Code®.

Products listed on this certificate have been tested by an IAPMO R&T

  
Chairman, Product Certification Committee

  
CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
