Comments:

PRODUCT DESCRIPTION

Reeded glass tubes are paired with ribbed aluminum LED housings in your choice of Gold or Matte Black finishes. The interior frosted glass diffusers soften the high-powered LED boards concealed within. The low-voltage light sources are driven by a commercially rated range voltage LED drivers with universal dimming, allowing them to be used in both residential and decorative commercial or hospitality applications. ADA compliant sconces are a welcome companion to the series as well as the fully metal stem hung pendant option designed without glass and uses a JA8 Listed LED GU10 lamp instead of dedicated LED.
