Congratulations !

You are now done installing your Elegant Lighting fixture. Sit back and admire each crystal as it will become the statement piece for your room/house.

Thank you.

Cleaning and Maintenance of Chandelier Frame
The finish on our chandelier frames and fixture frames is protected by a durable coating of lacquer. To clean, use a clean soft, dry cloth. Do not use any metal polishes, cleaners, abrasives or any substance which could remove the protective finish. Failure to follow these instructions automatically voids the guarantee.

Cleaning and Maintenance of Crystals
Wet a soft cotton fabric in clean warm water and wipe gently, then polish with a dry soft cotton fabric.

To Order Crystal Replacement Parts
Should you require replacement crystals or pins (the metal connectors attaching the crystals), contact the store where the product was purchased or contact us . For ease of ordering, you may use the original crystal trimming instructions provided with this product and circle the items you wish to order, indicating the quantity by writing the number needed adjacent to the circle . You will be contacted with prices prior to shipment. All orders must be pre-paid.
