

The **Harper sling chaise lounge chair** from Mōd may be simple, but it's anything but basic. Strong, weather-resistant fabric cradles your body to bring ultimate peace at the end of a well-fought day. A rust-proof aluminum frame adds durability to the furniture, allowing you to sink into maximum comfort and stability. This chaise enables you to afford quality patio furniture with a cool drink and your feet up in your outdoor retreat courtesy of Mōd Furniture.
