

The Jace sling chaise lounge from Mod may be simple, but it's anything but basic. The chaise's sleek, clean lines are accented with faux wood detailing on the arms for an extra bit of style. The chair back has several adjustable positions, perfect for reading, napping and all sorts of relaxing. It's rust-proof aluminum frame is light weight, sturdy and durable. The chaise's sling fabric is breathable, quick drying and above all else, incredibly comfortable. Made with weather resistant materials, you'll enjoy timeless style while having the time of your life for years to come.
