

Reconfigure your outdoor space and your capacity for entertaining with this 4-piece conversation set from the Jaden collection. You'll practically be able to hear the Mad Men theme song when you relax in this mid century modern inspired collection complete with the trademark tapered legs, set at an angle and synonymous with the style. The retro chic style extends to the clean sloped lines of the sofa and 2 scooped armchairs. The minimal style still means maximum comfort courtesy of the soft, quick drying cushions and pillows and long lasting hand woven faux wicker made of PVC resin.
