

Level up your outdoor space with the Emma 5-piece set. Perfect for any yard, balcony, porch or patio, this deep seating set can accommodate larger parties or intimate get-togethers alike. This set includes five convertible pieces that can be reconfigured to suit any sort of get-together. The two armless chairs, two corner chairs and ottoman can be made into one giant sectional sofa or reconfigured as a loveseat and two side chairs with the ottoman functioning as a coffee table depending on your gathering. No matter how you arrange it, friends, family and friends-that-feel-like-family can all kick back and relax bolstered by comfortable, quick drying cushions and pillows. The collection is crafted using hand-woven wicker over sturdy steel frames, giving you both durable construction and stylish boho accents. Each piece of the set is made using all weather materials, built to handle whatever life throws at them and you.
