

# Levity® Frameless Sliding Bath Door K-706002-D3

#### Features

- Innovative roller design simplifies installation and provides out-of-plumb adjustability while glass is installed.
- Cushioned center guide provides smooth, quiet sliding action.
- Vertical blade handles accentuate the contemporary style.
- CleanCoat®+ glass coating creates a hydrophobic barrier that repels water, soap scum, and residue, saving time and protecting shower doors 10 times longer than original CleanCoat. (Based on 2021 internal wear/abrasion testing using a microfiber cloth.)

## Technology

• Frameless 1/4" (13 mm) frosted tempered glass.

#### Installation

- Sliding bath door.
- Not for use in hospitality.

#### Recommended Products/Accessories K-23723 Faucet cleaner

|                               |                       |

#### Notes

Install this product according to the installation guide.

If replacing a shower door, the narrow wall jamb design of this door may not cover the existing shower door holes.

The vertical opening should be a minimum of 62-1/4" (1581 mm) to allow for installation clearance.
