

**PRODUCT DESCRIPTION**

Tasteful details on this series of low-profile Vivex sconces and flush mounts adds a stylish touch to functional spaces. Finished in a two-tone Black and Gold combination, this Vivex series is engineered to withstand harsher climates adding fashionable flare to a necessary lighting element. The Gold rivet details at its corners are not just decorative, but structurally secure an outer shell that seals its internal LED housing from water intrusion. The applications of the flush mount and slim sconces provide dimensional convenience and accessibility for limited spaces or hallways regulated by ADA requirements.
