MSRP: \$192.00

24" Peak Season Cast Stone Occasional Table

Aluminum Occasional Table is 20 inch, round in size and features hand sprayed finish in Coca with unique surface texture. Body of the table is made from crushed stone and resin for strength without the weight. It is finished with a protective clear coat to create a UV stable finish. This attention to detail enables a durable finish that protects the piece from cracking and fading in the outdoors. Each piece has its own variations and characteristics and therefore no pieces are exactly alike.

Finish: Cocoa

Collection Name: Occasional Accent Tables

Material: Cast Stone
