**MSRP: \$925.00**

### Peak Season Parsons Four Shelf

This is a versatile shelving unit made from power coated aluminum. It features slat shelf construction perfect for storing items with or without baskets. Meant for the outdoors but so beautiful you will want to use inside. It is a taller version of our regular Parsons shelf, perfect for corner spaces. It is offered in our hand brushed Teak and Period finish. Comes KD with assembly required. Hardware included.

Finish: Teak/Period

Collection Name: Parson Shelves

Material: Aluminum
