

Royo®

Creators of exclusive settings.

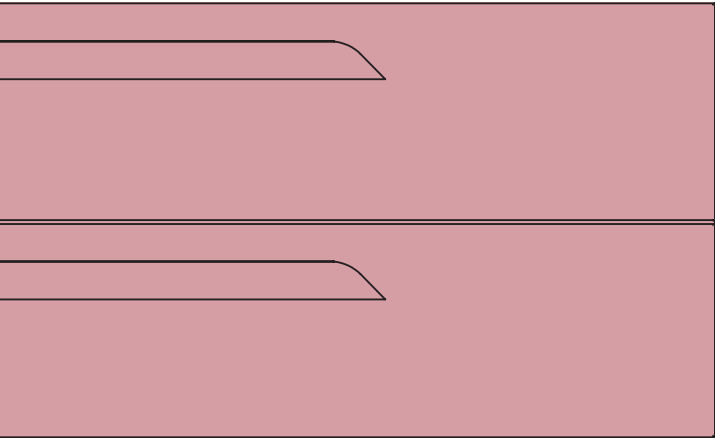

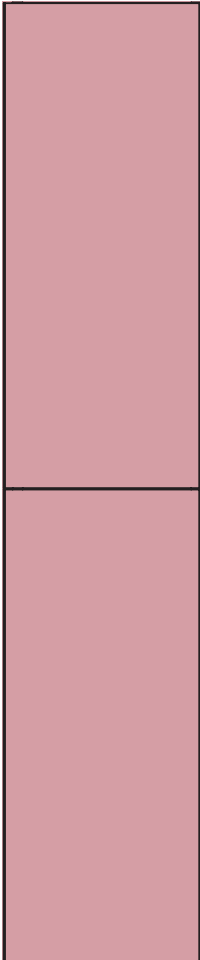

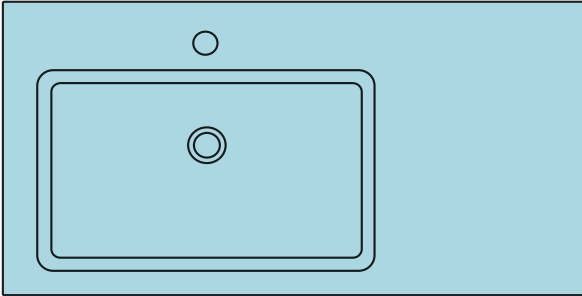

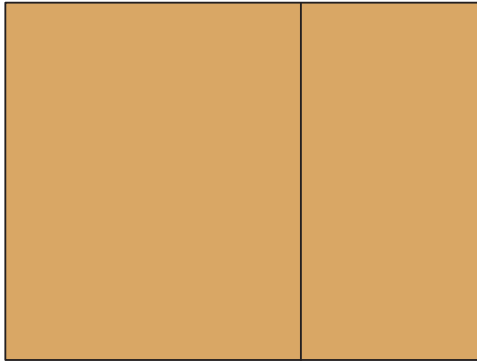

Royo is a multinational company specialized in bathroom furniture. Thanks to our long history of over 45 years exporting to 60 countries, we have factories in Spain and Poland, as well as commercial subsidiaries in the USA and India.

Our aim is to improve people's life in their most intimate environment by making a difference through innovation, one of our major pillars, supported by our R&D&I centre. We are constantly looking for new materials and designs that increase the quality and functionality of our products in order to offer you the best solutions according to your needs.

At Royo we care about well-being and comfort for your home. Throughout our life, we spend a great deal of time in the bathroom. That's why it is our main focus to transform the place where we spend this much time the most comfortable, pleasant and functional space of your house, always adapting it to your style.
