KEENAN

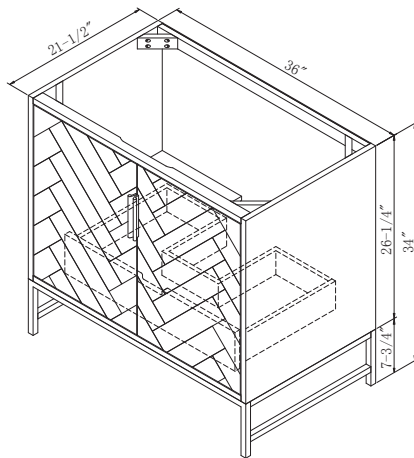

Ample interior storage and some models feature interior drawers

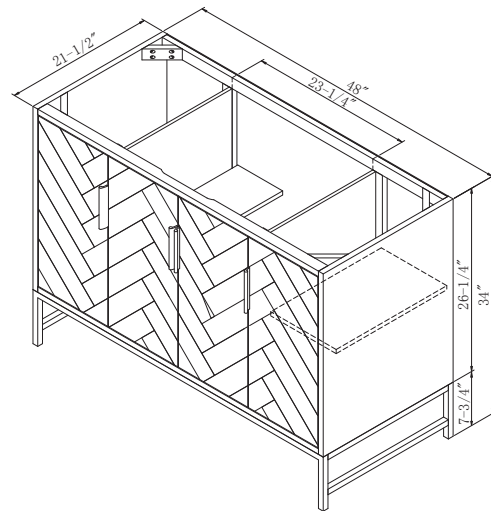

The Keenan Vanity Collection from Sagehill Designs is a delightful combination of design influences. Casually contemporary in style, the clean design lines of the cabinet are accented by being raised on a matching metal base. The cabinet is further enhanced with parquet style patterning on the door panels with matching pulls. Doors and drawers feature soft-close mechanisms. The cabinets are offered in a variety of widths and configurations and a selection of mirror option are also offered. All the items feature Sagehill Design's continuing commitment to quality materials, design, and construction.
