INSTALLATION

Prior to Installation:

- Inspect product to ensure no damages have occurred while in shipping.
- Observe all plumbing and building codes in accordance with your state and local requirements.
- Floor must be level prior to installation of vanity.
- All dimensions are nominal! Be sure to measure your vanity prior to installation.
- The step-by-step guidelines in the installation instructions are for general reference. Should there be any discrepancies, Swiss Madison cannot be held liable. It is recommended to install all Swiss Madison products by hiring a licensed professional.
- Read installation and maintenance instructions thoroughly before installing. Be sure to use proper tools and always wear proper personal safety accessories for your protection.

Installation and Maintenance: This product requires two people to install. Wall installation hardware not included. Please install sink top and plumbing fixtures according to the manufacturer's instructions. To prevent disrupting the finish of this vanity do not use abrasive cleaners.
