Grand Elevate® Mission

GRAND ELEVATE® MISSION

74006 Grand Elevate® Mission

The Grand Elevate® Mission Oak is the latest addition to Touchstone's Grand Elevate® line of slimline, value-priced largescreen TV lift cabinets. The Mission Grand Elevate® Cabinet has an Arts and Crafts-style design with a stunning wood frain and interesting, distinguished details. This piece offers a transitional design style that will work well with most any room furniture mix. The combination of the Grand Elevate®s versatility and Arts and Crafts design make it a fit for the family room, living room and bedroom. The cabinet's mission styled hardware has a handsome antique finish. The size of the Mission Grand Elevate® makes it ideal for larger flat screen televisions, holding most 60" diagonal flat screen TVs.
